

Appl. No. 10/564,215
Amendment dated June 27, 2008
In Response to Office Action Dated May 1, 2008

REMARKS/ARGUMENTS

In the Office Action dated May 2, 2008, the Examiner requested a restriction among Claims 1-12, drawn to a method for manufacturing a mid-plane and Claims 13-16 drawn to a rigid multilayer.

This will affirm the election made without traverse to prosecute the invention of Claims 1 through 12. This will also affirm that, pursuant to the restriction requirement, Claims 13 through 16 are now withdrawn from further consideration in this application.

Respectfully submitted,

GALLOP, JOHNSON & NEUMAN, L.C.
